

The InVaso Self-Watering Sponge Pot is Great for Forgetful Gardeners

Source: inhabitat.com

Published: March 7, 2013

Even the most dedicated green thumbs may occasionally forget to water their plants. Enter InVaso — a self-watering [sponge](#) vase created by industrial designer [Stefano Claudio Bison](#). Made from the same kind of porous sponge that we use to clean our homes, InVaso doesn't just contain your favorite plant, but also holds water that the plant needs to survive
